Participants

Patient: Mark Smith | Care Planner: Clinic Staff | Date/Time: 17-06-2025 10:30–10:44

Transcript

Time	Speaker	Dialogue
10:30:02	Care Planner	Hello, this is the cardiac device clinic calling. Is this Mark Smith?
10:30:07	Patient	Yes, speaking.
10:31:10	Care Planner	We reviewed your Holter showing high-grade AV block with pauses. Do you have any symptoms today?
10:31:25	Patient	Lightheaded when walking fast; no fainting.
10:33:40	Care Planner	Your implant is scheduled for 21-06-2026. Please arrive fasting, and bring current meds.
10:34:02	Patient	Understood. Any changes to my blood pressure pills?
10:34:20	Care Planner	Continue as prescribed; we will recheck on admission.
10:43:10	Care Planner	Call us if dizziness worsens or if you faint. See you on the 21st.
10:43:25	Patient	Thank you.

Summary

Patient counseled on pre-op instructions; symptoms stable. Proceeding with planned dual-chamber pacemaker implant on 21-06-2026.
